ROOTED: Origins of American Gardening

Gardens aren't just made; they're passed down through generations, carried across oceans, lifetimes, and lands. The Flower Show celebrates the stories that ground us in gardening, whether it's the nostalgia of a grandparent's garden, a beloved family recipe that begins with the bright scent of freshly picked herbs and vegetables, or the heritage traditions that shape how we plant, grow, and gather. Through immersive garden exhibits and stunning floral displays, ***Rooted: Origins of American Gardening***, brings to life the personal stories, cultural traditions, and horticultural inspiration that connect us to plants, each other, and shape how we garden today.

Experience 10 acres of breathtaking floral and landscape designs, expert gardening advice, and the passion of green enthusiasts as they showcase the future of gardening. Come experience a 'breath of spring' when you need it most!
